## Upper Eyelid Surgical Lift (Blepharoplasty)

### Enhance Your Confidence with a Surgical Eyelid Lift

#### (Upper Eyelid Blepharoplasty)

At **Dermatology Associates of Northern Kentucky**, we are proud to offer upper eyelid **blepharoplasty** (eyelid surgery) to help you achieve a more youthful and refreshed appearance. Under the expert care of Dr. Elliott Campbell, MD FAAD, a dermatologist and **Mayo Clinic fellowship-trained Mohs micrographic surgeon & dermatologic oncologist**, you can trust that your procedure will be handled with precision and care.

#### Before & After Results

Experience the transformative power of blepharoplasty. Here's what you can expect:

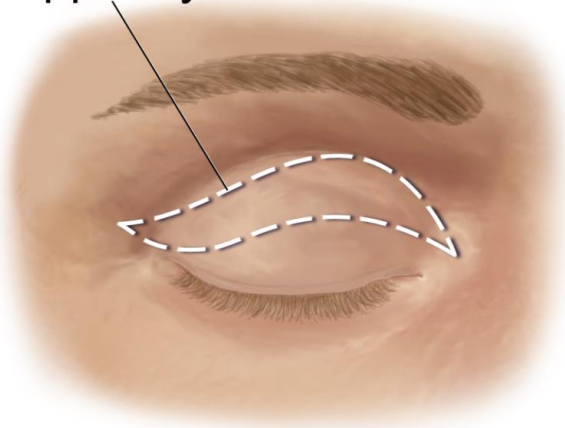

##### *Before:*

- Droopy or sagging eyelids
- Puffiness around the eyes
- Tired or aged appearance

##### *After:*

- A more alert, youthful look
- Reduced puffiness and sagging
- Improved confidence and comfort

#### Upper eyelid incision line

## **The Benefits of Upper Eyelid Blepharoplasty**

1. **Rejuvenate Your Appearance:** Remove excess upper eyelid skin and fat for a smoother, more youthful look.
2. **Enhance Vision:** Correct sagging eyelids that may impair your field of vision.
3. **Boost Self-Confidence:** Enjoy a refreshed, well-rested appearance that helps you look as good as you feel.
4. **Minimally Invasive with Rapid Recovery:** Benefit from precise surgical techniques and shorter downtime.

## Why Choose Dr. Elliott Campbell?

- **Mayo Clinic Residency and Fellowship-Trained:** Extensive expertise in Mohs Micrographic Surgery and Dermatologic Oncology. Dr. Campbell regularly performs surgical cancer removal and reconstruction around the eyes with the Mohs micrographic surgery technique. He was trained in the blepharoplasty technique at Mayo Clinic.
- **Commitment to Excellence:** Dr. Campbell's meticulous surgical skills ensure optimal results. He has published over 30 peer-reviewed articles and written several book chapters on dermatologic surgery.
- **Patient-Centered Care:** Every procedure is tailored to meet your individual needs and goals. All patients leave with Dr. Campbell's cell phone number for direct access.
- **Local Expertise:** Dedicated to serving the Northern Kentucky community with compassionate care.

## Schedule Your Consultation Today!

Ready to discover how blepharoplasty can transform your look? Contact us today to schedule a personalized consultation with Dr. Elliott Campbell. Let us help you achieve the refreshed, youthful appearance you deserve. **Feel free to ask any staff member for more information.**

## Chemical Peels:

### Reveal Fresh, Radiant Skin with Chemical Peels!

Refresh and rejuvenate your complexion with **customized chemical peels** at **Dermatology Associates of Northern Kentucky**. Our **board-certified dermatologists** and **expert-trained nurse practitioner and physician assistant** use advanced peeling solutions to exfoliate dull, damaged skin—uncovering a smoother, brighter, and more youthful appearance.

#### ✦ Why Choose a Chemical Peel?

- ✓ Improves skin texture and tone
- ✓ Reduces fine lines, wrinkles, and sun damage
- ✓ Clears acne and minimizes pores
- ✓ Brightens dark spots and hyperpigmentation
- ✓ Minimal downtime with noticeable results

Get the **glowing, refreshed** skin you deserve. **Schedule your chemical peel consultation today!** ✦ 🕒

## Benign lesion removal (moles, cysts, lipomas)
